

# Philipsburg Jubilee Library:

## Assignment – E-library

The library has an online public access catalogue (E-library) of the PJ-Library. You can use this system in the library. You can also enter the system from the Library website on every location where you have access to the internet. You can easily find books and other items in the catalogue by using either Quick Search or Power Search.

1. There are two DVD's on **painters from St Maarten** in the library.
  - a. Use *Advanced Search* to find the DVD's in the OPAC.
